Re: Upper Fork (North) Feather River Project  
FERC Project # 2105

FEDERAL ENERGY  
REGULATORY COMMISSION

Ms Bose:

As you review the above project licensing:

Please not allow any additional releases of cold water from Lake Almanor beyond the 2004 Settlement Agreement. Our economy, businesses and quality of life are dependent upon the quality of water in Lake Almanor, as well as the health of our fisheries.

Please honor and uphold the Settlement Agreement of the Project 2105, dated April 22, 2004.

Thank you
